WHITELINE

Polypropylene Bouffant Caps

Technical Data Sheet

Polypropylene bouffant caps are disposable caps that are well suited for a variety of environments to provide barrier protection and secure hair.

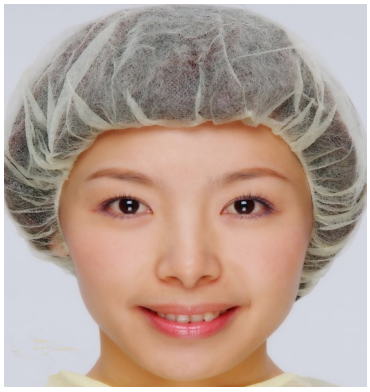

Made from strong and lightweight spun-bounded polypropylene fabric, these caps provide breathability while providing full hair coverage.

Latex and silicone free.

- Accordion style
- Machine made for better cleanliness
- Provides a closer fit for all users

Part Number	Size	Colour	Packaging
